SAWPA MEMBER SURVEY

The SAWPA member survey was circulated on the 19th of June and closed for submission on the 5th of July. Unfortunately, the submittal rate was very low and therefore we encourage members who still want to submit the survey to do so by the 16th of August. We plan to give a preliminary summary of the results at the regional meetings. Final discussion and decisions will only be taken by the SAWPA Executive Committee at the end of September. Members who require us to resend the survey form must please notify the SAWPA office at admin@sawpa.co.za
