

# PROMOTIONAL MATERIAL AVAILABLE FROM SAWPA

Annual Calendars:	Safety Tags:
 <p>The image shows a 2016 annual calendar for the South African Wood Preservers Association. It features a large photograph of a traditional building at night at the top, followed by a grid of smaller images and monthly calendars for each month from December to December.</p>	 <p>The image shows a safety tag from the South African Wood Preservers Association. It includes the SAWPA logo, five circular icons representing safety hazards (falling, fire, sharp objects, toxic substances, and hand injury), and the text: "SOUTH AFRICAN WOOD PRESERVERS ASSOCIATION Promoting the safe use of preservative treated timber. For more information on the safe and correct use of preservative treated timber visit <a href="http://www.sawpa.co.za">www.sawpa.co.za</a> or contact us at <a href="mailto:sawpa@global.co.za">sawpa@global.co.za</a> or Tel 011 974 1061 (See reverse side)." The tag also features a small SAWPA logo at the bottom left.</p>

Posters:	
<h2 style="text-align: center; color: green;">WHAT YOU NEED TO KNOW WHEN BUYING AND USING PRESERVATIVE TREATED TIMBER: Size A1</h2>	 <p>This poster provides essential information for purchasing and using preservative-treated timber. It features a photograph of a wooden gazebo on a deck. The text includes: "What you need to know when buying and using Preservative Treated Timber", "How to plant a pole", and "CHOOSING THE CORRECT HAZARD (H) CLASS". It lists hazard classes H1 through H6 and provides instructions on how to identify and use the timber safely. The SAWPA logo is visible at the bottom.</p>
<h2 style="text-align: center; color: green;">THE WONDER OF WOOD: Size A1</h2>	 <p>This poster explores the natural structure of wood. It is titled "The wonder of wood" and includes sections for "Conifers", "The story of a tree", "How nature builds a tree-trunk", and "Broad-leaved trees". It features detailed diagrams of tree trunks showing growth rings, heartwood, and sapwood, along with illustrations of various tree species and their wood products. The SAWPA logo is at the top left.</p>
